

Name: _____

G Sound: Ending of Words

Read aloud the list of words below. Using a pencil, write the words in the squares with one letter to a square. Some words go from left to right and some go from top to bottom. Each time you add a word, say the word aloud or say a sentence with that word in it to your speech helper. *Hint: Start with the longest word and branch out from it.* For added practice, try the challenge activity below.
