

# Halloween

Halloween is an interesting and different holiday celebrated on October 31. Its roots are in the ancient times when people believed that ghosts and spirits walked the earth on the last day of summer. Its name comes from All Hallows Eve, which was the night before All Saints Day, celebrated on November 1, to honor religious saints. Nowadays, Halloween is considered one of the best holidays. This is because people get to dress up in fun costumes, walk around with their friends, and get free candy. This is called "Trick or Treating." Sometimes, people play small pranks on each other. A favorite Halloween pastime is carving pumpkins and putting a candle in them, making a jack-o'-lantern. Often around Halloween, people go to haunted houses or see scary movies, or they may go on hayrides or bob for apples. This holiday is a lot of fun!

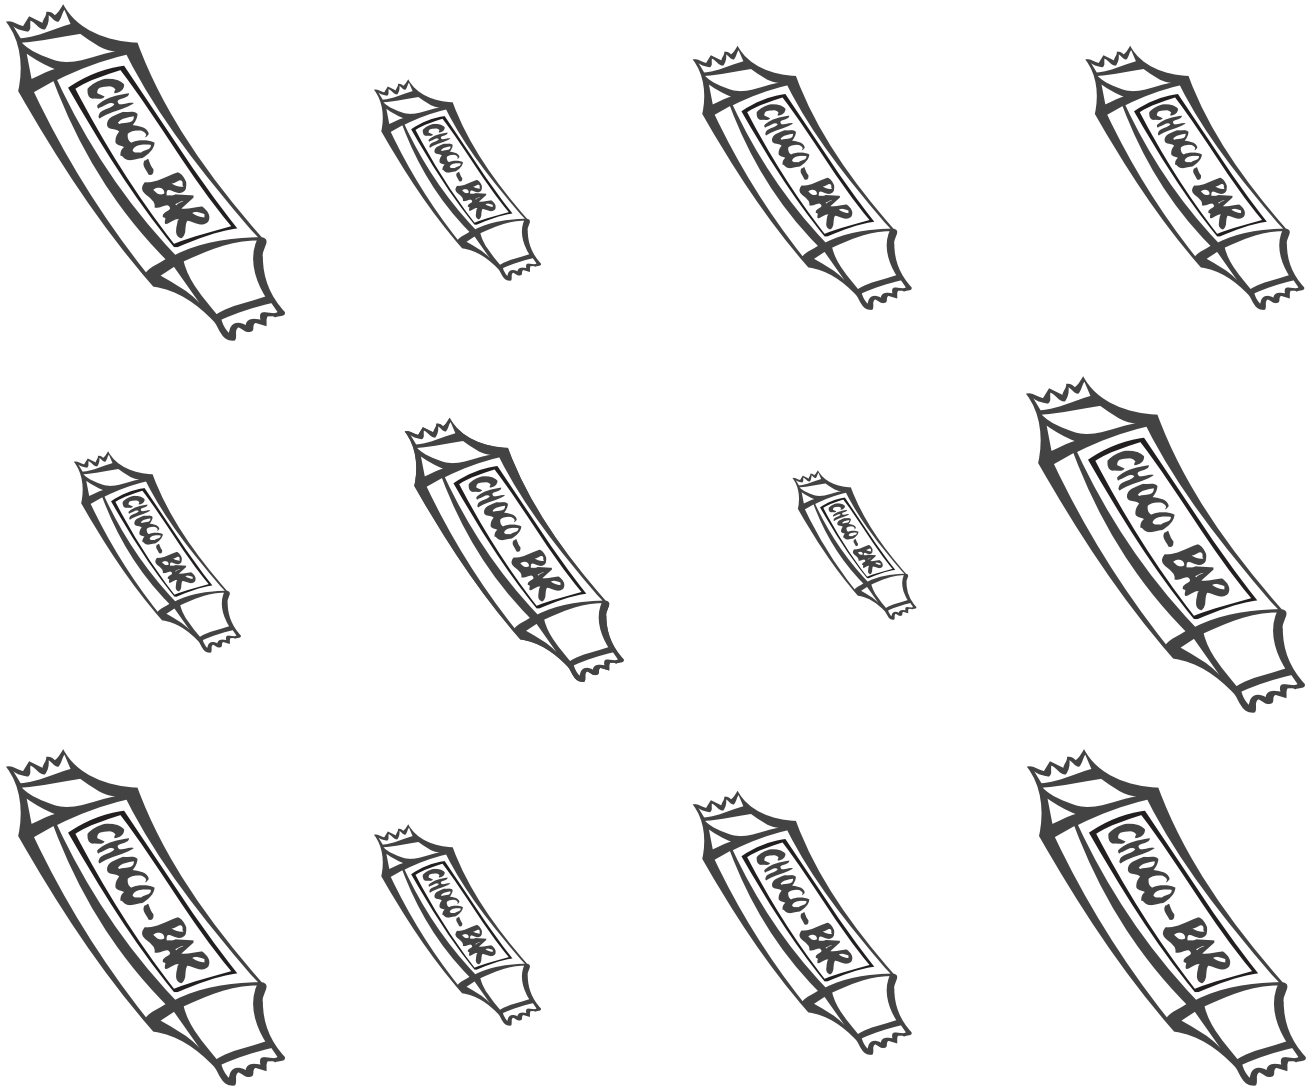

## ***Did You Know..?***

**A favorite Halloween pastime is carving jack-o'-lantern.**

Name: \_\_\_\_\_

# Candy Bars of All Sizes

Color the largest candy bar in each row.  
Circle the smallest candy bar in each row.
